30 July 1948

a. The former Flonian Kasarne at MELK (N 48° 13') was occupied by about 250 troops. The troops were equipped with trucks whose [redacted]

25X1A

b. Local residents stated that the above unit had arrived in MELK late in June or early in July 1948.

25 and 26 July 1948

25X1X 2. a. Trucks and personnel were entrained at the MELK RR station on the evening of 25 July 1948. 25X1A

b. Only one convoy (black service color) was observed at the kasarne on 25 July 1948. No troops were to [redacted]

25X1A [redacted]

c. Local residents stated that "some hundred" engineer troops had been quartered in the kasarne.

25X1A [redacted] Comment: According to previous information no troops had been stationed in MELK before January 1949. The above report indicates that one engineer unit of the 56th AIB Mtz Rich Div was transferred to MELK in June 1948, but left the post for maneuvers (going to [redacted]) in late July 1948.
